5) I have since come to know that the difficulty which is proposed to be remedied in the manner suggested above, has been felt before and a certain course of action for the prevention, as far as possible, of such difficulty has also been laid down. I refer to Rule No. II of the Rules issued under G.O. No. 3831-8/R.679 dated 1st October 1880 printed on page 161 of the Mysore Muzrai Manual. This rule ~~stands~~^{is} as under:

"To provide, as far as possible, against the contingency of a Guru dying suddenly, he may, as an act of ordinary prudence, fix upon one or more eligible persons for eventual selection by himself as his successor and obtain His Highness' opinion as to the eligibility of such persons. The Guru may then, in due time, select one of them to succeed him."

6) The procedure which the Mutts are advised by this rule to adopt, is not being followed as cases of nomination of eligible persons for eventual selection are not being reported for the orders of Government. The rule has apparently been lost sight of and we may invite the attention of the Mutts to it.

7) The rule is only advisory in its character and the course of action suggested in it is a measure of prudence in the interests of the Mutts themselves. If the Swami of any Mutt does not find it convenient or possible, for any reason, to follow the advice contained in this rule, he will take the risk of leaving the succession undecided and any difficulty which Government have to face in such a case, cannot also be avoided. Wherever, however, the question of succession

can be settled beforehand, it is as well to have it decided, with a view to avoid all future difficulties.

8) A draft to the Muzrai Commissioner requesting him to bring this Rule to the notice of the Mutts and requesting them to follow the course of action suggested in it, as far as possible, is put up.

Letter no. C. 378 of 4.3.27.

States that replies have been received from the Dy. Coms. of Madras, Bangalore, Shimoga and Mysore, stating that Reg. Patents have been written to the Swamis in these districts, and the D.C. Mysore requests whether reminders may be issued to the mathadhipatis who have not yet sent their replies, and thinks that it seems sufficient to invite the attention of the presiding mathadhipatis to the standing orders on the subject, and not to press for a definite reply, and solicits specific instructions of Govt. in the matter.

27) I think it is enough if

action is taken as suggested by the M.C. re
'A' in P.H.D. Mathadhipathas may be reminded
once a year or so. There is a certain amount
of sentiment + delicacy about such nominations
well in advance, sometimes trouble arises between
the Swami & the nominee. It is enough, I think
if Govt. draws their attention from time to time
(once a year is frequent enough) to the desirability
of selecting a suitable successor in time of getting
H.H.'s approval to the choice. Further pressure than
this seems unnecessary.

Draft.

To

The Muzrai Commissioner in Mysore.

S i r,

There have been recently some cases of Swamis of Mutts dying without nominating and ordaining their suces-
sors and considerable difficulty has, in consequence, been caused in appoint-
ing competent persons to the vacant peetas. Government consider it ~~ix~~ de-
sirable to obviate, as far as possible, such cases in the future. Rule No. II
of the Rules issued under G.O. No. 3331-8/R.679 dated 1st October 1880
printed on page 161 of the Muzrai Manual (Kist) recommends a course of action to be
adopted by the Matadhipathis for solv-
ing questions of succession and ensuring the choice falling upon eligible per-
sons and it would be well if the Mutts followed it. I am directed to request
you to bring this ⁿrule to the notice of all the Mutts and request them to fol-
low, as far as possible, the advice con-
tained in it. The replies received from them may be reported for the information
of Government.
